NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Goods

FOR CREECH'S.

Just received, 5) CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cents a per yard; wont you look at them at 10 cents? and can't you afford to buy them at 12½c.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and if you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves?

There the rascals Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed a-long
The listning winds received the song.

COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for $2.00! Do you want them cheaper? same quality. Cant find them! Do you want them finer? I am just the man that has them, 5, 7, 8, 10, 12, 15, 20, 25 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot in such a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right! Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands, and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

WILL TAKE HIS SEAT.

We understand that Joseph earnestly declares his purpose to contest Mr. Manning's election to Congress because, he says, two hundred colored voters were "intimidated," and prevented from voting for him. From present indications Joe will have to hunt up some two or three hundred more who were too badly scared to vote, before he can make a showing. But we suppose he can find them in the same way he found the first two hundred.

We understand Joe further says that Col. Rogers could have secured his election by a word, and as he did not speak that word, neither he nor Gov. Vance shall have their disabilities removed

It is about time to stop this nonsense about intimidation; we do not believe there was a negro in the District that was afraid to vote, nor a white man that attempted to intimidate the negroes or anybody else. The only persons intimidated were a number of white voters who were "intimidated" by Joe himself. They were, for many reasons, afraid to vote for him, and hence he was beaten.

Wonder if the thought has cast a dim shadow over Joe's imagination that, if he will go to Washington and contest Mr. Manning's seat, Congress will vote him *sons pay*, even though he should fail, as has been done in some other contested cases!

THEY DARE NOT DO IT.

We presume the Senatorial question will be disposed of to day, after which the Legislature will devote itself to the impeachment of Gov. Holden and Ch.f Justice Pearson.

We do not believe articles of impeachment will be presented against either of the officials mentioned. The Democrats care *more* for the *future* success of their party than anything else. The question of impeachment has narrowed down until it has become a question of *policy* whether the Governor and Chief Justice shall be impeached. According to the Democratic orators and press, the officials mentioned have been guilty of enough to hang them. They all profess to believe this; and now after making all manner of charges and endeavoring to blacken and ruin forever the character of these gentlemen, they say that it will not be good policy to impeach either. To what a low condition the Democratic party has arrived, the people can well imagine when they make grave and serious matters a question of *policy* and not of duty. This is just what we expected. A systematic effort has been made by the Democratic press and orators to ruin the character of a great many Republicans, and after filling their papers with every conceivable charge, they now refuse to allow the Governor and Chief Justice to vindicate themselves. If these men are guilty of high crimes and misdemeanors, if they have violated the Constitution which they swore to support, let them suffer the penalty for such conduct. But to back down from impeaching because it may not be policy to do it, will be infinitely worse for the Democratic party than impeachment followed by conviction.

We have heard enough on this subject. We want acts after to-day. In the name of the people of North Carolina, who elected the Governor and Chief Justice, we *demand* a trial at the bar of the Senate. Innocent or guilty, the matter has reached that point from which there is only one course to pursue, and that is—give these men a trial—clear them if innocent, and convict if guilty. If the Democratic party will not try these men, then we denounce the party as being more corrupt and dishonest than has been charged against the Republican party.—*Standard of Tuesday.*

What bold and defiant rascals this carpet-bag preacher and short-haul Professor are! They are but army stragglers and adventurers, and yet they complacently seat themselves as if they were owners of the premises and order things about generally. At least that was their manner of conducting, prior to August last, and they seem slow to realize the fact that they can not keep it up still.

The people of the State, who are the rightful owners, have become the masters of the situation, and they intend to manage their own affairs, through their own chosen representatives, according to their own notions of right, justice and law.

Martin is, by the courtesy of the Senate, allowed a seat on the floor as reporter for the *Standard*, from which position he dares, defies and villifies the Senate. A reporter of the SENTINEL, three years ago, was excluded from the House because he called an African member a negro. We suggest to this short hand man of the *Standard* to shorten the displays of his asininity and scurrility, or go back to the University where he improperly belongs.

In the meantime we suggest to Ashley and his brother-in law not to be in a hurry; they will be accommodated before Martin finishes burning the fire wood cut from the shade trees in the University grounds.

DIALOGUE.—The following is said to have been overheard on Fayetteville street, yesterday, between a Democrat and a Radical:

Rad. Well, what is the last news of the election?

Dem. About four hundred, I understand, majority for Manning.

Rad. Four hundred! Is that so? Well, you beat us this time, but we will give you the devil next time.

Dem. You tried to give him to us this time, but we would'nt have him—we preferred Manning. [*Exeunt.*]

On motion the Senate adjourned.

HOUSE OF REPRESENTATIVES.

WEDNESDAY, Nov. 30, 1870.

The House was called to order at the usual time.

Prayer by the Rev. Richard Mason.

Journal of yesterday read and approved.

Mr. Jordan presented a memorial from citizens of Caswell in reference to the outrages perpetrated upon them during the Holden-Kirk war.

Mr. Jordan said many of the petitioners were known to him personally, and some of them known to the whole State. One of them was known as a learned jurist, another as an ex Speaker of this House.

The purpose of the Executive seems to have been not to silence the civil law alone, but to degrade those whom the people had chosen to execute it. The Sheriff and Coroner of Alamance were among the first he arrested. The Sheriff and Coroner of Caswell were also arrested. The petitioners, he said, were his neighbors of an adjoining county. They had been grievously wronged, wronged in their persons, in their property and in their liberty. They feel that all personal wrong has been subordinated to the wrong inflicted upon the spirit of freedom—and the Constitutional rights which belong to the humblest as well as the most exalted member of society. He concluded by asking for the reading of the memorial.

When the Clerk had read a few pages of the memorial, Mr. Harris, of Franklin, moved to dispense with the further reading and refer it to the Committee on Propositions and Grievances. Objection was made and the Clerk continued to read. At the conclusion of the reading, the memorial was ordered to be placed on the calendar.

Mr. McAfee, from the Committee on Judiciary, reported favorably, with amendment, on the bill to allow caveators of vacant lands further time. The bill was placed on the calendar.

Mr. Stradwick, from the Committee on Finance, reported favorably on the resolution in favor of A. Murray, of Alamance county. The resolution was placed on the calendar.

Mr. Dunham from the Committee on Privileges and Elections, reported the following resolution as a substitute for the various resolutions and memorials in relation to the fraudulent elections in Alamance and Caswell Counties:

Resolved, That vacancies exists in the representation of said Counties of Caswell and Alamance.

Resolved further, That the Speaker of this House be directed to inform his Excellency, the Governor of the State of N. C. of the said vacancies to the end that he may proceed to have the same filled as the Constitution of the State and the laws thereof direct. The report was placed on the calendar.

Mr. Sparrow from the Committee on Rules, submitted a report adopting the rules of the last House with various amendments. The report was placed on the calendar.

Mr. Crawford from the Committee on Engrossed Bills, reported several resolutions as correctly engrossed.

By Mr. Robinson: A resolution in reference to the act providing for the completion of the Western Division of the Western N. C. R. R.; placed on calendar.

By Mr. Tomlinson: A resolution raising a committee of 3 to purchase the stationery necessary for the use of the House; placed on calendar.

By Mr. Strudwick: A resolution that so much of the Governor's message as refers to affairs in Alamance and Caswell counties shall be referred to a special committee, and said committee shall have power to send for persons and papers and administer oaths; placed on calendar.

By Mr. Darden: A bill to prescribe the time for Sheriffs to settle for taxes; referred.

By Mr. Robinson: A bill to repeal section 7, chapter 169, laws of 1868 '69; referred.

By Mr. Bryson: A bill in relation to *per diem* and mileage; referred.

By Tucker, col.: A bill fixing the *per diem* of the presiding officers of the General Assembly at $8 per day and members and officers at $6, and mileage at 15 cents; referred.

By Mr. Joyner, of Johnston: A bill to make a failure to work on public roads a misdemeanor; referred.

By Mr. Morris: A bill to authorize the Commissioners of Henderson county to sell a part of the land belonging to the Poor House; referred.

The Chair announced the following Committees:

Committee on Education—Messrs. McAfee, Hill, Tomlinson, Scott, Robinson, Lucas, Cawthorne, Jones, of Caldwell, Parrott, Ellison and Harris, of Guilford.

Committee on Claims—Messrs. Settle, Jones, of Caldwell, Atkinson, Gore, Young, of Wake, Carson, Jones, of Northampton, Lassiter, Atwater, Buxton and Wilcox.

Committee on Penal Institutions—Messrs. Jordan, Harris, of Guilford, French, Hinnant, Womack, Kelly, of Moore, Bunn, Mabson, Martin, Stewart and Shull.

Committee on Corporations—Messrs. Broadfoot, Henderson, Regan, Marler, Joyner, of Johnston, Currie, Morgan, of Wake, Johnson, of Edgecombe, Johns, Garrison and Furr.

On motion of Mr. Sparrow, the rules were suspended and the report of the Committee on Rules was taken up.

During the discussion of the various amendments, the Chair announced that the hour had arrived to receive the Senate in order to count the ballots in the Senatorial election.

The Doorkeeper announced the approach of the Senate.

After the Senators were seated, the joint bodies were called to order by the President of the Senate. The Clerk of the Senate read that portion of the journal of the Senate touching the election. It appeared from the journal that Z B Vance received 32 votes; J. C. Abbott 11; Wm. Graham 1; Alfred Dockery 1; M. W. Ransom 1; E. J. Warren 1; J. A. Gilmer, Jr. 1.

The Clerk of the House then read the journal of the House touching the same matter, and it appeared that Z B Vance received 53; J. C. Abbott 32; A. S. Merrimen 2; E. J. Warren 2; A. H. Jones 1; W. A. Moore 1; S. F. Phillips 1; M. W. Ransom 3.

The President of the Senate then announced that as it appeared from the journals of both Houses that Z B Vance had received a majority of all the votes cast, that he was duly elected to represent the State of North Carolina in the Senate of the United States.

The Senate then retired to its Chamber and the House resumed the discussion of the amendments submitted by the Committee in their report upon the rules of the House.

After some little debate the report was adopted.

A message was received from the Senate announcing the passage of the following bill and resolution, and asking a concurrence by the House:

Resolution in favor of the Sheriffs of Northampton and Wilkes counties.

Bill to provide for a special term of the Superior Court of Davidson county.

On motion of Mr. Brown, the rules were suspended and the bill in reference to the special term of the Davidson county Superior Court, was taken up and passed its several readings.

Mr. Settle moved to suspend the rules to take up the resolution, in regard to declaring that vacancies exist in this House in the representation from Alamance and Caswell, in consequence of the illegal elections held in those counties, reported by the Committee on Privileges and Elections as a substitute for various resolutions and memorials in regard to the same matter.—The motion to suspend the rules was adopted.

Mr. Settle said that the outrages and intimidation practiced upon the people of Alamance and Caswell, the result of the passage of the infamous Shoffner bill, were so well known, that the members from Caswell had the decency not to present themselves here &c. It was eminently proper that North Carolina should by the adoption of this resolution, proclaim to the world that within her borders bayonets were no longer trumps.

Mr. Justice would support a bill to declare the election in Caswell invalid but would oppose any movement to invalidate the election in Alamance, as a certificate of election had been given to the member of this House from that county, (Mr. White) and he had duly qualified, &c. He moved to strike out Alamance county from the resolution.

Mr. Settle argued that Caswell and Alamance stood exactly in the same condition, and, therefore, he would oppose the amendment.

Messrs. Martin and Waring advocated the adoption of the resolution as it came from the Committee, as the fact of intimidation was patent and notorious.

Mr. Rankin said he lived within a hundred yards of the Alamance line and was perfectly well aware of the fact that intimidation was used upon Conservative men, and the gentleman from Alamance could not deny it.

Mr. White, of Alamance, in his remarks in defence of the legality of his election, claimed that though a military force was present the election was a free one and no intimidation was used.

Mr. Sparrow spoke at length in support of the adoption of the resolution as reported by the Committee.

Mr. Womack (from Chatham) said he knew from his own knowledge, that numerous citizens of Alamance were concealed in Chatham before and during the election to avoid being seized and imprisoned.

Mr. Scott argued that the only question before the House was whether the County was in a state of military occupancy, and if that be decided in the affirmative, then intimidation was a fact patent, &c.

Mr. Dunham, Chairman of the Committee on Privileges and Elections, said that the Committee when discussing this matter agreed upon the resolution now under consideration without distinction of party &c. It was agreed that during the election, Aug. 4th, that Alamance County was in a state of military occupancy, and this intimidation was a consequence of that occupancy. He did not wish to turn out the member and seat his opponent, but he wished the people of Alamance and Caswell, as they had a right to Representation, to have a full and free election, and the adoption of this resolution was a proper manner to vindicate the liberties of the people of these counties. This military occupation was a matter of public history, and a fact which could be proven by the Governor's Proclamations, though all Conservative members of this House and a majority of the people of the State denied his right to declare a county in a state of insurrection.

Mr. Phillips said he thought the condition of the counties of Alamance and Caswell were substantially the same. He did not see how an election, worthy of the name, could be held in a county in a state of insurrection and when it was decided that civil process could not be executed. He looked upon this as a question of law not of fact.

Mr. Hargrove favored the adoption of Mr Justice's motion to strike out Alamance from the provisions of the resolution.

Mr. Gregory said it was sufficient for him to know that Alamance was occupied by a military force and it was a fact patent that no free election could be held under that state of things &c. The lawyers of the majority in this House, he knew, were of the opinion that this question of military occupation, was a question of fact, which could be proven by the Governor's various Proclamations, though they held as a question of law, that the Governor had no shadow of right to declare that county in a state of insurrection, and to occupy it with military forces.

Mr. Dunham called the previous question. The call being sustained, a ballot was taken and the motion to strike out Alamance county, was rejected by a vote of yeas 27, nays 77.

The following voted in the affirmative:

AYES—Messrs. Bryant, of Halifax, Col., Bryan, of Jones, Bunn, col., Copeland, Darden, Dudley, col., Goodwyn, Harris, of Franklin, Hargrove, Hardy, Johnson, of Edgecombe, col., Jones, of Northampton, Justice, Lyon, Morris, Morgan, of Montgomery, Morgan, of Wake, Nisson, Page, col., Reavis, Robbins, Smith, of Halifax, Sykes, col., Tucker, col., Willis, Williamson, col., Young, of Wake.

The report of the committee was then adopted.

The resolution was then adopted by the following ballot:

YEAS.—Messrs. Anderson, Armstrong, Ashe, Atwater, Brooks, Broadfoot, Brown, Bryson, Buxton, Cawthorne, Carson, Chamberlain, Cloud, Collis, Currie, Darden, Dickey, Dunham, Ellison, Fletcher, Furr, Gambrel, Gatling, Gore, Gullick, Grayson, Gregory, Hampton, Harris, of Guilford, Henderson, Houston, Hill, Johnston, of Buncombe, Johns, Jones, of Caldwell, Joyner, of Johnston, Joyner, of Pitt, Jordan, Kelly, of Davie, Kelly, of Moore, Kelsey, Kincade, Lucas, Luckey, Martin, Marler, Maxwell, McAfee, McNeill, Mills, Mitchell, Nicholson, Parrot, Phillips, Powell, Rankin, Reid, Regan, Robinson, Scott, Settle, Shull, Smith, of Anson, Smith, of Wayne, Sparrow, Stanford, Stewart, Strudwick, Sykes, Tomlinson, Waring, Welch, Wilcox, Womack, Woodhouse, Young, of Yancey, and York.

NAYS.—Messrs. Bryant, of Halifax, Bryan, of Jones, Bunn, Dudley, Faulkner, Goodwin, Garrison, Harris, of Franklin, Hargrove, Hardy, Johnson, of Edgecombe, Jones, of Northampton, Justice, Lyon, Mabson, Morris, Morgan, of Wake, Nisson, Page, Reavis, Robbins, Smith, of Halifax, Tucker, Willis, Williamson and Young, of Wake.

A message was received from the Governor announcing the death of Mr. Woodard, the member elect from Nash county.

Adjourned.

NOTE.—The Reporter failed, when publishing a list of the Judiciary Committee a few days ago, to announce Messrs. Dunham, Jordan and Broadfoot as members of the said Committee.

For the Sentinel.

CLINTON, N. C., Dec. 28th, 1870.

Mr. Editor.—The position of Dr. C. T. Murphy, Senator from Sampson seems to be misapprehended by some relative to impeachment of the Governor. I am personally and intimately acquainted with Dr. Murphy, and had the pleasure repeatedly last summer, of hearing the Doctor express himself candidly and emphatically upon this subject.

The Doctor then avowed and pledged himself to his constituency, to go for impeaching the Governor, and the removal of all officials of alike venality and corruption. His constituency remembers the pledge and knows from the faithful manner in which the Doctor has ever discharged his duties and promises, that he will not be recreant in this instance.

No petty appointment of the Governor's can swerve this true, steady and indefatigable patriot in the pursuit of the interest and welfare of the people of North Carolina.

CLINTON.

For the Sentinel.

RALEIGH, Nov. 28, 1870.

MR. EDITOR, SIR:—I do respectfully call the attention of the Executive Committee of the Democratic party of this district to the following facts, namely, that the white men of this community demand that the following work shall be done; that the books of registration of the Raleigh township and those of the adjoining township, of same district shall be compared, for, Mr. Editor, I with others on good authority do assert that persons have voted at country townships and on the same day same election have voted at this the Raleigh township. I say Sir that the white voters demand that this work be done which will result in a great Democratic gain over the vote of August last.

Again Mr. Editor, men who designed voting the Democratic ticket were refused a vote here because they lived in Orange County and later in the day he who designed voting otherwise on the same grounds was allowed to vote for Congressman. Mr. Editor, we, the honest voters of this county demand justice at the ballot box, we must, we will have it.

Respectfully,

J. B.

Mr. THOS. R. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

GRAND TEMPERANCE RALLY.—There will be a grand rally of the Friends of Temperance at Metropolitan Hall, on Thursday night at 7 o'clock. Addresses will be delivered by several of the delegates in attendance on the State Council. Let every body turn out; admission free. The Raleigh Brass Band has been engaged for the occasion.

THE ACTIVE AND ASSOCIATE MEMBERS of "Oak City" and "Carolina" Councils, Friends of Temperance, will meet the Delegates to the State Council, at Temperance Hall, this (Thursday) evening at 6½ o'clock.

ANOTHER CLUB.—We tender our thanks to H. H. Bryan, Esq., of Battleboro' for a club of 13 new subscribers, with the cash. He says he has 14 other names to forward as soon as he can see the men and collect the subscription. We are also receiving smaller clubs almost daily, to the getters-up of which we tender our warmest acknowledgements.

Lost, some where on Fayetteville street, between Hargett and Martin streets, on Tuesday last, a powder flask nearly filled with powder. The finder will please leave it at the SENTINEL office.

A Coroner's inquest was held on the dead body of a colored man in Wilmington last Sunday, verdict, "came to his death by some cause unknown." He was found lying on his bed dead, by his niece, after she had left him for about an hour.

THE FAIR AT FAYETTEVILLE.—A correspondent informs us that the Fair of the Cumberland County Agricultural Society, which opened at Fayetteville on the 23rd ult., was successful beyond the expectations of its most sanguine friends. We congratulate our friends in that section, on their success, and hope next time to be so fortunately situated as to be with them at their annual Fair.

POSTPONED.—The regular monthly meeting of Mechanics Fire Co. No. 2, will be postponed from Thursday evening, December 1st, to Thursday evening, December 8th. Due notice will be given.

By order of the Foreman,
H. C. HARRIS, Sec'y.

NOT AFRAID.—We call the attention of Pilgrim Ashley, and the short hand reporter in the Senate, Professor Martin of the University, to the speech of Mr. Jordan of Person, on presenting the memorial of citizens of Caswell, to the House of Representatives, yesterday. Mr. Jordan is not a "policy" man, nor does he represent a "policy" constituency, when the supremacy of the law is to be vindicated, or crime punished.

THE GAZETTE.—Owing to a delay in the receipt of printing material, &c., the *Gazette* will not be issued until Saturday, the 10th of December. Business men having cards will please send them in at once.

The *Gazette* will *certainly appear* on the 10th.

A. SHORTER CALDWELL,
nov 23-codtf Charlotte, N. C.

[For the Richmond Enquirer.]

"I am too good a Republican to be a Radical; and I am too little of a Radical to be a sectional Democrat."

This is the manner a gentleman defines his political position. To me it is an enigma which I am unable to solve. It may be plain to the gentleman himself, but it is undoubtedly a puzzle to others. I know not where to class him. Z.

We can tell you. Class him as one of those temporizers in this State who claim to be good Conservatives, but who are yet apologists for Radical rascality; who wink at peculation in office because the peculators have some money to spend; who never expose corruption in high places because it is "none of their business," and who desired a third party, when there is not now room enough for two.—*Wilmington Journal.*

A National Medicine.

One can hardly pick up a newspaper or turn a street corner now-a-days that he does not find, staring him in the face, the announcement that Prof. So-and-so has just discovered a medicine which is a panacea for all the ills that flesh is, or may be heir to. These "wonderful" discoveries usually have an existence of a few months, then disappear from public notice. The reason of their sudden extinguishment is apparent. They were humbugs. At the outset all medical preparations have an equal chance for success, as all are equally unknown; but the chaff is soon winnowed from the grain by the practical test which an unprejudiced public applies to all things. There are but few preparations which have withstood the impartial judgment of the people for any length of time. One of the few which we have now in mind, and which has been a long time familiar to nearly every household in the land, is the celebrated Hostetter's Stomach Bitters. Their almost universal sale and use, and their emphatic endorsement from all portions of the country, compel the admission that they must be a specific for the ailments for which they are recommended. Letters before us attest their efficacy in diseases of the throat, bowels and liver. In that truly terrible complaint, dyspepsia, where these Bitters are manufactured, their sale for home use is immense. This fact alone speaks volumes in their favor.—*Extracts from the Missouri Courier (Jones,) Feb 7, 1867.*

nov. 25, codiw.

THE FINAL RESULT.—We think we may, on the best authority, give the following as the final result of the Congressional election on Saturday last, by majorities in the several counties:

	Manning.	*Holden.*
Johnston,	616	
Wake,		497
Chatham,	774	
Orange,	719	
Granville,		260
Franklin,	36	
Warren,		1,196
Nash,	251	
	2,389	19 53
	1,953	
Manning's majority,	436	

There was a large falling off from the vote of August, yet Mr. Manning's majority is but 12 less than was that of Mr. Gilliam over Mr. Hawkins. We are confident that had there been a full turn out, Mr. Manning's majority would have reached a thousand or twelve hundred. But his majority is a healthy one as it is. We will build on it next time.

We expect to see a number of Democrats with new hats on, as soon as the weather fairs off, and also to miss the glimmer of a certain gold watch chain that used to hang out of a radical fob. But, "such is life."

ELEVATION.

This is a voting precinct in Johnston county, (we don't like to say, *Township*, as Ashley calls it,) where the people are certainly not much in love with the Holden dynasty. We attended a large mass meeting there in October, composed of men, women and children; such a meeting as we have seldom seen in the country.

The returns from Johnston show that Joe carried but one precinct in the county, but Elevation carries the banner. At that place, on Saturday last, Manning received 168 votes and Joe got 000. Hurrah for Elevation!

WHO WILL ATTEND!

The Asheville, N. C., papers call for a mass meeting of the people of that section, to be held in Asheville on the 1st of December, to denounce the frauds and robberies committed by Gov. Holden's appointees on the Western N. C. Railroad, and to petition the General Assembly for a redress of grievances.

The Governor has, heretofore attended railroad meetings in person; will he attend this? Will Gen. Clingman attend? Littlefield is in Europe and cannot be there. The Governor ought to go.

MEETING OF THE BOARD OF PUBLIC CHARITIES OF N. C.

RALEIGH, N. C., Nov. 23, 1870.

The Board met. Present: Rev. G. W. Welker, President, Dr. Eugene Grissom, C. T. Murphy and G. W. Blacknall.

The following communication was received from his Excellency Gov. Holden:

To the Board of Public Charities of North Carolina:

GENTLEMEN: The Board of Supervisors of the Insane Asylum of North Carolina, hereby submit to your Board the report of Dr. Eugene Grissom, Superintendent, in accordance with section 5, chapter 67 of the acts of the General Assembly of 1868-'69, entitled "An act in relation to the Lunatic Asylum," ratified March 9th, 1869.

W. W. HOLDEN, Pres't.
Ex Officio Board of Supervisors.

On motion of Dr. Blacknall, the President was directed to transmit the report of the Board of Supervisors of the Insane Asylum to the General Assembly with the recommendation that the views of the Superintendent in relation to an increased accommodation of the insane receive the special attention of that body.

W. J. Palmer, Secretary, then tendered his resignation which was accepted.

On motion of Dr. C. T. Murphy, the following resolutions were unanimously adopted: A copy of which was directed to be published in the city papers.

Resolved, That we accept with unaffected sorrow the resignation of Dr. W. J. Palmer, the honored Secretary of this Board. That we will cherish a grateful appreciation and pleasing recollection of the many virtues, and endearing qualities of head and heart, which he possessed in an eminent degree, and which secured for him the friendship and regard of all those, whose privilege it was to know him.

Resolved, That the thanks of the Board are due, and are hereby tendered to Dr. Palmer for the zeal, fidelity and ability with which he has discharged his duties as Secretary.

That we commend him to the confidence and regard of the community selected for his future home; hoping that himself and family may be the recipients of increased happiness and prosperity in their new field of labor.

On motion of Dr. Blacknall it was agreed to ask the General Assembly to pass an appropriation to pay the Secretary for services in making out a report of the condition of the prisons and poor houses in North Carolina.

On motion of Dr. Blacknall, Mr. P. F. Pescud was appointed Secretary, and the present Secretary was directed to turn over to him all books and papers belonging to the Board.

On motion of Dr. Grissom, the President was requested to prepare his annual report, and transmit the same to the General Assembly.

On motion the Board then adjourned.

TELEGRAPHIC.

Wednesday Evening Dispatches.

FOREIGN.

LONDON, Nov. 29.—The following, dated at Versailles early this morning, via Berlin: On Monday and Tuesday the forts around Paris, particularly those toward the South, maintained a furious cannonade to cover a sortie in force. On Tuesday, the French came out towards Le Pays, supported by gunboats on the Seine, and attacked fiercely the position held by the sixth Prussian corps. Other sorties were made simultaneously in other directions, probably with a view to prevent reinforcements to the sixth corps. In all cases, however, the French were repulsed and driven back to their fortifications. The entire loss of the Prussians in these actions was seven officers killed and wounded, while the French lost sixteen hundred in prisoners alone.

The French, under Bourbaki, were beaten near Amiens. Their army was totally routed and fled toward Arras.

On Monday the main body of the French attempted to force a passage to Fontainbleau by a heavy general attack. They encountered the tenth Prussian corps at Dreaux, twenty-six miles North of Orleans. The Prussians were quickly reinforced. The French were slaughtered and repulsed with heavy losses. The greater part of the army of the Loire were engaged. Ten thousand French reported killed and left on the field, 1700 wounded and prisoners.

The feeling in money circles be ilky.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

and nearly doubled its immense Capital of $1,000 000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserves" is stronger than that of any Company doing business in this State. No "Definite surrender values guaranteed" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of *several Hundred* policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. *Premium Dividends* are not declared, but Dividends are given from the actual surplus, in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

TONTINE DIVIDEND PLAN:

Ordinary Life Policy Tontine Dividend Plan, Age 38, amount $10,000. 10 years in force, Annual Premium $291.50.	Ordinary Life Policy Mutual plan Cash Co. The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in al Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured. Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cas in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,681,341.97.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division; and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends.*

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.
